## PRINT RECOMMENDATIONS

I have 3 affordable recommendations for practice

**1** - Print the worksheets directly into my recommended HP paper (links below) and work with your brush pens right on top of them.

**2** - Print your worksheets in any print paper, and use tracing paper on top of your worksheets to practice.

**3** - Print your worksheets on any kind of paper, and using a light pad, place a piece of HP paper on top so you can see the worksheet or guidelines below for practice.
